

Sports Equipment for Kids DRIVE

HELP ME DONATE SPORTS EQUIPMENT TO CHILDREN WHOSE PARENTS HAVE BEEN DIGNOSED WITH CANCER.

As my Bar Mitzvah Project, I am partnering with The Singletons, a organization who provides strength, hope and community to single parent families battling cancer.

Personally, I know what it is like to have a parent who had cancer. It's scary, worrisome, and confusing. I found happiness when playing sports and I want children whose parents have cancer to have a chance to feel happiness and freedom from worry by giving them sports equipment.

Please donate new or gently sports equipment, or gift cards to Target, Walmart, or Amazon where these families can purchase equipment for their children.

To donate or get more info:

- Drop off equipment or gift cards at Or Tzion's Lobby in the labeled donation box.
- Email DylanBernsteinMitzvah@gmail.com
- Message Sara (my Mom) on Facebook.

Thank you, Dylan!
